<input type="checkbox"/> <input type="checkbox"/> Delete item	<input type="checkbox"/> <input type="checkbox"/> Edit counters
<input type="checkbox"/> <input type="checkbox"/> Rename item	<input type="checkbox"/> <input type="checkbox"/> Delete messages
<input type="checkbox"/> <input type="checkbox"/> View custom fields	<input type="checkbox"/> <input type="checkbox"/> Execute commands
<input type="checkbox"/> <input type="checkbox"/> Manage custom fields	<input type="checkbox"/> <input type="checkbox"/> Manage events
<input type="checkbox"/> <input type="checkbox"/> View admin fields	<input type="checkbox"/> <input type="checkbox"/> View service intervals
<input type="checkbox"/> <input type="checkbox"/> Manage admin fields	<input type="checkbox"/> <input type="checkbox"/> Create, edit, and delete service intervals
<input type="checkbox"/> <input type="checkbox"/> Edit not mentioned properties	<input type="checkbox"/> <input type="checkbox"/> Import messages

# 1. Standard and Special Rights to Units/Unit Groups

Unit ACL = **Special Rights**

- View connectivity settings (device type,...
- Edit connectivity settings
- Create, edit, and delete sensors
- Edit counters
- Delete messages
- Execute commands
- Manage events
- View service intervals
- Create, edit, and delete service intervals
- Import messages
- Export messages

Allows to view the device type, unique ID, phone number(-s), device access password on the General tab, in the unit tooltip and in the extended unit information.

Allows the filtration parameters of the messages on the Advanced tab.
